President's Report

On behalf of the committee, we have the pleasure in presenting the 37th Annual Report of the East Malvern Junior Football Club, together with the duly audited financial statement for the year end of 30th September 2022.

Season 2022 – Club & Community Highlights

Quite simply to commence the season as scheduled and to have played a full season without any restrictions was certainly one and maybe the highlight of the year when considering the events of the past two years.

It was fantastic to see footy return to normal and see the players across all the age groups training and regularly playing every week with such enthusiasm and the huge smiles on their faces. This is what being involved in a Junior Football Club and Local Community is all about for me & I am sure that all would agree.

The committee would also like to congratulate all the players, volunteers and mums & dads this season on the way they have conducted themselves and represented the club. This culminated in 14 out of a possible 22 teams making finals which delivered four premierships to the club this season. The Premiership teams were the U13 Girls Division 1, U11 Mixed Division 4, U14 Boys Division 1 and U16 Boys Division 2. Also a special mention to the players who represented the club in interleague and the Vic Metro side this year, congratulations on your achievements.

With social events kept to a minimum this year the Annual Presentation Day was certainly the social highlight of the season. It was wonderful to see so many Mighty Knights Players and Families together to celebrate our first full season in three years including the participation of so many people in the Worlds Greatest Shave to support the Leukemia Foundation and the Hegan Family – Thank You!

Financial Statement

The clubs financial position remains sound. Due to the past committee's diligent and hard work the club's finances were in an enviable position to deal with the impacts of the Covid Pandemic. We were able to refund registration fees to those families severely impacted by COVID as well as roll over approximately 600 registrations from the 2020 season to the 2021 season at a cost of more than \$100,000.

The capital expenditure for the new scoreboards has been another major investment that has been completely and entirely funded by the club and will only enhance the seasons to come. A full copy of the audited financials will be available and made public at the AGM.

Sponsors

Once again, the club would like to acknowledge and thank all our sponsors in particular MHT Dentistry and Jellis Craig. With the support of sponsors such as these it allows the club to provide and enhance our football program and engage external consultants as seen in the kicking and tackling programs giving our players every opportunity to develop their game to the highest possible level.

Club Awards

The committee applauds and congratulates all the recipients of awards this season both players and volunteers and makes distinctive recognition of the two newly appointed life members Michael Hagan and Julian Battistella in receiving the clubs highest award for their loyal and tireless work and contribution to the club.

2022 Committee

I would like to recognise and personally thank the committee for their tireless work this season. Caz Beadle our amazing club secretary, Dugald McWilliams our Vice President who has fulfilled the role

as the player welfare officer with integrity and compassion, Mick Hegan, Carl Callenbach and Lori Embleton for their detailed and professional approach to the running of Football Department in particular Micks weekly summaries and spreadsheets , Jono Brown & Paddy Charles who run Footy Operations unceremoniously (without whom no games would take place each week), Angus Mackellar our diligent club treasurer, Anne Moore our club administrator (with her fantastic eye for detail & amazing Social Media skills) and Vicki Mustafa as Club Chaplain who provides the club with so much support week in week out.

I would also like to welcome Emily Spinks, Dominic Guthrie, Caroline Hutchinson, Andrew Wilson, & Bart & Caz Drew who are joining the committee and have already started to make great contributions in their respective roles for season 2023 – I wish you all the best of luck!

Farewell

After 3 seasons as president and 7 as a coach its time for me to bid farewell and pass the baton on. Having joined the club in 2014 I have met some remarkable people and forged life long friends, it has been a great privilege to serve the greatest junior football club in Australia and I will always cherish my time at The Mighty knights – Thank You and the best of luck to all in the future !!!

GO THE MIGHTY KNIGHTS!

Vice President & Child Safety Officer Report

How refreshing it was for the Club to enjoy an uninterrupted season after the previous two years. Life at the East Malvern Knights got back to some semblance of normality, with good numbers on the field, healthy numbers off the field supporting our Mighty Knights and also many enjoying the conviviality of the Clubrooms on a Friday night. It was quite clear that, despite the fractured seasons in the past two years, the Knights Spirit is alive and well.

Our concussion policy was again very effective and I am immensely grateful to our Club Concussion Officer, Dave Munro, for all his hard work, receiving and coordinating all incidents of concussion, following up with all affected players and managing their return to football and also maintaining our concussion register. Dave has also joined the newly formed SMJFL working group for injury and concussion. This is a testament to his commitment to better understand and treat concussion. The Club should be proud that it instituted its own Concussion Management Plan before the SMJFL introduced its official Plan. The Knights can be proud we are the vanguard of concussion management at the SMJFL.

Many thanks also to our club Chaplain, Vicki Mustafa, for her frequent presence in and around the club, particularly on training nights and making herself available to all members of the Club for a chat and to assist in maintaining pastoral care at the Knights.

A busy summer beckons. I wish all Knights families a wonderful summer break and look forward to seeing you refreshed and ready for footy in 2023.

Dugald McWilliams
Vice President and Child Safety Officer

Secretary's Report

After years of disruption, we finally managed to get in a full season. There were many happy Knights running around on the ovals each week which was fantastic to see! Due to the fact that Auskick hadn't operated for two years (so a lower number of kids coming in to U8 as we didn't have Auskick as a "feeder"), numbers were down on last year however we still had almost 800 players register with the Mighty Knights! We fielded 34 teams in 2022.

We had teams ranging from U8 to U11 mixed, U12-U16 boys & U8 to U18 girls (including the additional of new girls age groups U8 & U13). Club numbers were down compared to last year, but we hope to be back up to 850-900 players again next year. The League is introducing another two new girls age groups next year (U11 & U15) which is a great plus for the girls as some younger players struggle with the 2 year gap between age groups. There are also ongoing discussions between the League & the AFL about changing U17.5 boys to U18 boys so stay tuned for updates.

Our key focus of providing a safe environment for our kids & parents to enjoy football, supporting the development of our players and encouraging respect & integrity within the Knights community continues. We thankfully had a year relatively free of "incidents" which was fantastic. This shows that the standards that the coaching teams instil in our players is working!

In my fifth year in the club secretary role I have continued to work closely with the SMJFL & built relationships with the new members of the team (CEO Matthew Brown, GM Football Operations Bree Valance, Umpire Coordinator Doug Haworth & Marketing & Communications Coordinator Zac Jennings) as well as building on the previously established strong relationships with long termers such as Cam Watts. The League also welcomed Dale Wain into the newly created role of General Manager – Clubs & Community & we look forward to working with Dale next year. We liaised with the team at the League with regards to fixtures & ensured that all games were at the appropriate times & that all matches fit on our three ovals. The League did a good job of managing the many fixtures & were receptive to our suggested changes in the majority of instances.

A big thanks to the League and all Mighty Knights players, volunteers & parents who continue to work together to make the Knights the wonderful club that it is. And many thanks to my fellow committee members for all their hard work over the year (including all the sub-committee members who work "behind the scenes"). Without the substantial amount of time they put into supporting the club, we would not be the club that we are today. We also have some fantastic, passionate new committee members coming on board next year. I look forward to working with them in my last year at the Knights.

Looking forward to a great season playing lots & lots of footy in 2023!

GO KNIGHTS!

Department Reports

EMJFC Football Department – Mick Hegan, Carl Callenbach, Lori Embelton

The Football Department began its work for the 2022 season in September of 2021. By October 2021 the following preparations had commenced:

- Coaching expressions of interest had begun with those appointed for 2021
- Est of all age groups re players for 2022 for the purposes of team nominations to SMJFL
- Nominations of players for St Kilda NGA and SMJFL Interleague purposes
- Appointment of specialist coaches, BD Sports, kicking skills and Malcolm Bangs, tackling.
- Appointment of age group co-ordinators for each year level
- Timetables and venues for pre-season training
- Organisation of some pre-season games both internal and external
- Accreditation from AFL via Coach.AFL for all Knights coaches
- Liaising with Malvern District Auskick regarding potential numbers for under 8's
- Updating the Football Policy
- Owing to Covid restrictions we didn't pursue the annual Mosman extravaganza

Participation numbers

The 2022 season was to be the season that saw football return in full flight after significant Covid pandemic interruptions. Official footy competition commenced for all clubs in April with a pre- season completed prior.

The club retained a solid percentage of existing players whilst also attracting new players from outside the club. The team participation was to be 34 teams, down 4 from 2021.

The club continues to grow particularly in the girl's divisions.

The traditional feeder primary schools in the local area, Malvern Primary, Lloyd Street, St Marys, St Rochs, Solway and Caulfield Grammar made up the majority of under 8-10 players. The club is also represented by other local schools in the local community being St Michael's, Malvern Central, St Josephs, Carnegie Primary, Melbourne Montessori, Essex Heights & Ashwood.

What changed in 2022

Given recent experience, and consistent with clear expectations communicated by the SMJFL, the club commenced internal hard grading at under 12 boys for one of the 3 teams, soft grading continued for u11 Mixed teams. The league introduced a U12 Girls non modified section whilst maintaining a modified section and u13 Girls commenced this year.

Looking ahead to 2023

- Andrew Wilson joins the Football Department, welcome Andrew
- Coaching expressions of interest has begun with those appointed for 2021
- the league will introduce u11 and u15 Girls, u17.5 boys will be replaced by u18s.
- The league is considering u12 girls as non-modified rules
- the club will touch base with Mosman FC to reignite the historic relationship between the two clubs.
- u15's will consider a trip to Cairns which has been a great success in past years to play a football match and learn about an Indigenous community
- Prahran Senior Football Club will use DW Lucas and possibly Stanley Grose next season whilst Toorak Park undergoes a complete update of facilities including ground resurfacing.

Objectives of the Football Department

Our key objective is to create a safe, supportive and fun environment for all our players and families.

Key objectives for 2022 continued to include:

- Working closely with AGC's re all coaching appointments
- Maintain participation rates (I want to come back and play next year)
- Sportsmanship and fair play
- An environment and program that fosters learning (I learned my footy at the Knights)
- Appropriate drills & skills are the key focus of training sessions
- Coaching staff to ensure there is an element of fun at training
- Younger teams in their age groups sing the club song together as one at the end of training.
- Build and maintain a strong sense of community (community club not school-based club)
- Develop players to transition into school, youth and then senior football
- Increase female participation on and off the field
- To improve the level of education for our coaches across all facets of the game.
- To put forth suitable grading recommendations to the SMJFL for each age group prior to the season commencement
- Internal coaches' session prior to the season (Knights Way)

The Football Department would like to acknowledge all AGC's, Team Managers and Coaches for your tireless efforts throughout the planning stages of preseason to bring all the teams together in preparation for the 2022 season. Thanks is extended to their partners for your support.

We would also like to thank Club President Simon Bell, Club Secretary Caz Beadle & the committee along with the Knights football community for all the support throughout the year.

A big thank you to all our Knights players for your participation and contribution to our wonderful club. To the players whose junior careers come to an end in 2022, the club wishes you well in your future endeavours wherever that may be.

Bring on 2023, carn the Mighty Knights. **Best junior AFL club in the world!**

EMJFC Football Operations – Patrick Charles, Jonathan Brown

For the first time in 3 years we had a full season – so after 2 ‘full years’ of prep and pack-up – we finally got to have a go at the fun stuff... actual football.

After initially committing to being grounds manager, we struggled to get an ongoing commitment from Nish in the role, and subsequently needed to recruit. With thanks to the Old De La community, we got Matt and Jerry who stepped into the role very well. Having the 2 Ground Mangers meant that unlike in previous years where we had been required to help with the pack-down every week, this was achieved without the committee assisting (most of the time). Matt and Jerry have both indicated they are keen to return for 2023 – which means with ERC training, and the year’s experience, we are in for a much better Sunday experience next year!

The commissioning of the scoreboards was a blessing and a curse! Lots of time to get them up and running, but it was great to see the Lucas Board in action for the last few games of the year. Patty stepped in as the ‘lead tech’ for the boards – and we will run training for all TMs for the start of the 2023 season.

We have approached the Council to improve the storage facilities at Stanley (and Basil) – attempting to get a more permanent undercover scorers space (under the scoreboard) with storage for the goal pads and tents.. but this is still very much a work in progress.

After initial delays in receiving match footies from the SMJFL we are now well stocked with both training and match footballs for the 2023 season... and so the focus moves to replacing the aging (and with old sponsors) jumper sets – something we will sort out at the Annual General Meeting no doubt.

The senior club have agreed to share another one of the external storage sheds with us – which has meant that our equipment was much more effectively stored at the end of the season – and will remain so moving forward. If we transition to double sided jumpers, then the effective storage in the ops store will also increase moving forward, and the workload in Ops on a Friday night will also reduce.

From an operational perspective, the new marquees and walkie talkies were a great addition – making grounds management much improved.

For 2023 we have recruited the wonderful Bart and Caz Drew to join the team (in a shared role), and as Jono/Patty enter their 4th year in the role... surely we know what we are doing now!

EMJFC Sponsorship Report – Written by Anne Moore

The Knights gratefully acknowledge the generous support of our sponsors and encourage all club members to return support to these local businesses to show our appreciation of their support.

Jellis Craig Armadale, our major sponsor for over 10 years, has continued their ongoing support of the football club becoming our jumper sponsor for the 2022 season. We would like to acknowledge their generous support over the years as we part ways and make way for new major sponsor in 2023.

MHT Dentistry ,Matt Teixeira (“Tex”) was again heavily involved as both a sponsor and supplier of fitted mouth guards to all age groups.

For all our sponsors to continue with our football club we need to give back to them so let us get behind all of them as they find the necessary funding that allows us to run the club across all areas and this is an area in which our new Sponsorship team will be driving in 2023.

Communications Report – Anne Moore

In 2022 the aim was to build further on a consistent and engaging presence for our members through regular updates of game day photos and upcoming events throughout the season via social media. A reminder to follow our instagram / facebook pages has been added to our regular newsletters to members.

Our website saw a slight decrease in site views from 8702 in 2021 to 8333 in 2022 (a 4% decrease which is slightly less than the decrease in members for the 2022 season) with 7045 unique visitors. The majority of visitors utilized google to find the website or went direct. Our website is mainly used for registrations and merchandise sales, however at the conclusion of the season we added a Photo Gallery which we hope will draw more repeat visitors during the season.

We now have 1405 followers on Instagram (16% growth on last year) & 905 followers on Facebook (8% increase on 2021). Our social media posts have also grown in engagement with an average reach on Facebook of 258 for photos and 292 for video posts, with the largest reach for a single post being 1.2k. On Instagram our highest engagement post came from the surprise visit of Prime Minister His Honourable Scott Morrison with 422 interactions and an engagement rate of 26%.

In 2023, in conjunction with our new Sponsorship manager/s we will be aiming to provide greater return on investment for our sponsors through targeted promotion throughout the season both via newsletters and social media.

Merchandise Report – Carolyn Beadle

Welcome Day was back this year & we felt the full force of a plethora of players desperate to get back to footy in the full kit with many players persuading their parents to buy everything we had on offer! We had another very good year in Merch, selling lots of shorts, training tops & socks at the start of the season & then plenty of trackies & hoodies as Melbourne weather turned arctic (is it ever really that hot in Melbourne other than for a couple of months of the year?!).

Friday night drinks were back in full force as was the Friday night merch stall which we ran for the first 7 or 8 weeks of the season & then started up again after the June school holidays (to sell the much sought-after hoodies, trackies & beanies). Thanks again to the fabulous help from Cait & Sally this year, couldn't have done it without you ladies, particularly the end of year stocktake which is always such a mammoth task! And thanks for roping in a few friends here & there to help.

I will hopefully have a new Merch Queen (or two) to take over the reigns next year (although I am sure I will still be there to lend a hand at Welcome Day & on Friday nights)

Go Knights!!
